ASSESSMENT OF CORROSION EDUCATION (PAPERBACK)

National Academies Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. The threat from the degradation of materials in the engineered products that drive our economy, keep our citizenry healthy, and keep us safe from terrorism and belligerent threats has been well documented over the years. And yet little effort appears to have been made to apply the nation s engineering community to developing a better understanding of corrosion and the mitigation of its effects. The...
