Reviews

Comprehensive guide for publication enthusiasts. I could possibly comprehend every thing out of this created e ebook. I am just quickly can get a enjoyment of reading through a created publication. (Shayne Feeney)

ALEXANDER: DESTINY AND MYTH (PAPERBACK)

[DOWNLOAD](#)

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Few figures from history have aroused as much admiration as Alexander the Great, the Macedonian king who, between 334 and 323 B.C., conquered the immense Persian Empire, led his army as far as India, and transformed the known world. Even in antiquity, he was an almost mythical hero, and over the centuries he has been remembered as the paragon of martial brilliance. But for the historian, Alexander presents both a tantalizing subject and a formidable challenge. For all his achievements, there is very little direct evidence of his existence - a few inscriptions, some coins and portraits, and allusions to him in speeches of the day - and the oldest surviving accounts of his life were written three or more centuries after his death. In *Alexander: Destiny and Myth*, distinguished historian Claude Mosse rigorously and imaginatively draws on a vast array of sources to create an indelible portrait of Alexander as conqueror, man, and legend. Carefully navigating between fact and fable, Mosse offers a compelling new assessment of Alexander and his legacy in five concise sections. From his ascension to the throne of Macedon in 336 B.C. to his premature death at age 32, Mosse first reconstructs the major stages of Alexander's reign. She next explores the perception of Alexander - as a ruler and even a god - among the diverse peoples he governed, paying special attention to the cities he founded. Mosse then turns to the elusive question of Alexander's character, offering provocative insights on this millennia-old debate. The book's final two parts concern Alexander's legacy, both immediate - the fate of his empire and the limits of his accomplishments - and far reaching - the idea of...
