

Dominican Boy: A Novelette (Paperback)

By Cesar Vargas

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dominican Boy is the raw story of a peculiar 14-year-old Dominican immigrant. He finds himself submerged in books and stuck struggling to exist between a multicultural world of Brooklyn and Queens, circa 1995. He s a ghetto nerd who seems to have no problems with girls. So much so that even the older women on his block try to seduce him- to his overbearing mother s chagrin. He s haunted by fantastical dreams. Dreams that have been influenced by an insatiable thirst for fantasy in a space he wishes he could escape. He s a misanthrope. Not by choice, but because he has a deep love and disdain of others. He fancies himself an archetypical protagonist of Greek tragedies and ends up becoming a self-fulfilling prophecy.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
