*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

True Christianity is under siege in America today! Satan has spread two of the most evil deceptions in his arsenal, secular humanism [No - God] in our society and institutions and religious Christianity [No -- Spirit] in the churches. Both deny Christ s finished work of grace (divine favor). Things are looking bleak to many people seeking reality! They realize that Satan and his kingdom of darkness are behind America s chaotic world systems. Notice, our world of politics, world of social action and justice, world of education, world of finances, world of marriage and the family, world of sports, even the world of weather are distorted and corrupted. For the past century, we have stood by blindly as Satan has secularized our society and religionized many of our Christian churches. God s people must stand in the gap for this great nation! There is hope! God is meeting the needs with abundance of living grace, through the restored power of the Holy Spirit and restored truths of His Word; making leaders and their people the true salt and light through inward transformation and embracing the restored teaching and reality of living grace [the finished work of Christ], and right relationships in Him. Thus, God is rising up anointed Para-ministries among professing Christians; and churches who are hearing what the Spirit is saying to the churches. Nothing is too hard for God!.
