Casemate Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Bastogne will live forever in the annals of American military history. From the resounding Nuts , in response to the German demand for surrender, to the breaking of the siege by Patton s Third Army - brilliantly disengaged from its positions on the Saar, wheeled 90 degrees and marched northwards faster than any thought possible - the defense of Bastogne and victory in the Ardennes was one of the greatest feats of American arms in the European Theatre. This title in the Past Present series looks at the encirclement, siege, and relief with then and now photographs; specially commissioned aerial photos, and a wealth of detail.
