Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE OLD BACHELOR BY: WILLIAM CONGREVE / PRODUCED IN 1693 (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.he Old Bachelor is the first play written by British playwright William Congreve, produced in 1693. The Old Bachelor is Heartwell, a surly old pretended woman-hater , who falls in love with Silvia, not knowing her to be the forsaken mistress of Vainlove, and is lured into marrying her, only discovering her true character afterwards, from the gibes of his acquaintances. The parson who has been brought in to marry them, however, is in fact Vainlove s friend Belmour, who has assumed the disguise for the purpose of an intrigue with Laetitia, the young wife of an uxorious old banker, Fondlewife; and Heartwell is relieved to discover that the marriage was a pretence. The comedy includes the amusing characters of Sir Joseph Wittol, a foolish knight, who allows himself to be really married to Silvia, under the impression that she is the wealthy Araminta; and his companion, the cowardly bully, Captain Bluffe, who under the same delusion is married to Silvia s maid. The success of this comedy was in part due to the acting of performers Thomas Betterton and Anne Bracegirdle.
