Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. INFPS are Introverted, Intuitive, Feeling and Perceiving, and they make up only a tiny portion of the entire world s population. These highly emotional and wonderfully creative personality types are capable of some pretty great accomplishments, so it s no wonder that, both long ago and in more modern times, they have left their indelible mark. This book will introduce you to 13 of the greatest and most famous INFPS to have walked this planet, and it will describe how their unique INFP characteristics contributed to their often-times dramatic lives and successful careers. They might not always have been stars in their own time, but today we know them to be historically significant, as well as fascinating on a purely human level.
