Wipf Stock Publishers, 2016. Paperback. Condition: New. Language: English . Brand New Book. Christianity in the West is facing serious challenges to communicate its message of the Good News and its way of life. The many threats to the vitality of the churches emanate from a whole series of sources such as the culture of scientific materialism, alienation from institutions and the rigidity of churches to engage in serious renewal that both incorporates the spiritual heritage of the past and is open to new horizons of how the Christian story is told and celebrated. The Cosmic Christian Story is presented as a relevant story for our age and time. The book is for general readers, with reflection questions throughout as...
