

Memoirs of Lieut.-General Winfield Scott (Hardback)

Filesize: 3.92 MB

Reviews

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.

(Prof. Alvis Wuckert)

MEMOIRS OF LIEUT.-GENERAL WINFIELD SCOTT (HARDBACK)

[DOWNLOAD](#)

Univ Tennessee Press, 2015. Hardback. Condition: New. Language: English . Brand New Book. The remarkable military career of General Winfield Scott spanned fifty-three years, fourteen presidents, and six wars, both foreign and domestic. However, his lengthy service did not secure his rightful place among the nation's pantheon of great military leaders. Instead, he is most often remembered as the aged, overweight, and sickly commanding general who was replaced by George McClellan at the beginning of the Civil War. Originally published in 1864, only two years before his death, Scott's memoirs touch on many of the significant events of the early and mid-nineteenth century. This new edition of those remembrances, expertly edited by Timothy D. Johnson, showcases Scott's rare strategic insights, battlefield prowess, and diplomatic shrewdness, restoring him to his proper place as arguably the most important American general to ever serve his country. Scott joined the army in 1808, earned the rank of brigadier general in 1814, and was promoted to commanding general in 1841. During the Mexican-American War, he commanded one of the most brilliant military campaigns in American history and mentored the generation of officers who fought the Civil War, including Generals Grant, Lee, Longstreet, Beauregard, Jackson, and Meade. As a young general, he wrote the first comprehensive set of regulations to govern the army and pushed for the professionalization of the U.S. officer corps. Yet, he was ridiculed at the beginning of the war for his prescient prediction that the Civil War would be a prolonged conflict requiring extensive planning and superior strategic thinking. With this edition, Johnson has merged Scott's large two-volume memoir into a single, manageable volume without losing any of the original 1864 text. Extensive new annotations update Scott's outdated notes and provide valuable illumination and context. Covering a...
