ENVIRONMENTAL FINANCIAL REPORTING AND AUDITING PRACTICES IN INDIA

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | India's economic development propelled by rapid industrial growth and is causing severe environmental problems that have local, regional and global significance. To address these environmental challenges, the Central Government has identified and targeted 17 highly polluting industries and 24 environmental problem areas. So, the study has been conducted over the existing some blue chip companies related to these polluting industries and environmental problem areas of India to check their reporting pattern and...
