Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.ABOUT SMART READS for Kids . Love Art, Love Learning Welcome. Designed to expand and inspire young minds; this is a range of short educational books (with supporting free online resources) for ages 7+. Although one great artist s life and work are always the central theme, wider learning is encouraged as follows: - Geography History. Locations or events mentioned are always accompanied by a colourful map or a snippet of history so that the opportunity to learn some general knowledge does not pass the young reader by. - Vocabulary. A manageable number of new words are introduced and reused. They are always in bold with clear definitions and pronunciations. There is also a Glossary. - Maths. At least one maths statement and its accompanying calculation is always included. - Concentration. Each book is in the friendly first person and a trail of footprints always leads to a cartoon animal at the end. The author asks questions of the reader and there is always a quiz. These features keep children engaged and encourage them to form their own opinions. There is a high ratio of images to text. ABOUT JUNIOR LEONARDO DA VINCI Da Vinci was of course far more than a great artist. The full journey of his life is covered including: an account of everyday Renaissance Italy with its tyrannous leaders, the historically precocious and inquisitive nature of Leonardo s mind, his inventions, the story of his secret mirror writing (which provides an opportunity to learn a little about shapes with symmetry) and the mysteries of the Mona Lisa. There s also a simple recipe for Renaissance paint and some dragon hunting! On this journey children will encounter...
