Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Freethought House, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A fascinating and disturbing look into the world of vicious cults and the psychological damage they inflict. -Jonathan Kellerman Fortney Road is a disturbing account of calculated mental, physical, and sexual abuse in an evangelical Christian cult. Drawing on seven years of research including interviews with seventeen survivors, it tells the story of the rise and fall of the Church of the Risen Christ, its sadistic leader the Reverend Larry Hill, and its outreach tool The All Saved Freak Band, one of the earliest religious rock groups borne out of the Jesus Movement. Unfolding against the backdrop of the 1960s and early 70s, Fortney Road is also the story of one brilliant musician who fell victim to a charismatic, cruel zealot. While other cult leaders such as David Koresh and Jim Jones have become infamous, Larry Hill and his followers on Fortney Road have flown largely under the radar-until now. Illustrated with over 50 photographs and images. ADVANCE PRAISE FOR FORTNEY ROAD A riveting portrait of the rise and fall of the Church of the Risen Christ . A sad, sordid story of sex, mind control, and rock n roll. -Arthur Goldwag, author of Cults, Conspiracies Secret Societies An amazing story that needs to be told! -Mark Allan Powell, Trinity Lutheran Seminary A timely warning about charismatic leaders that take advantage of well-intended followers under the guise of religious devotion. -John Styll, co-founder of CCM Magazine With alarming detail and gripping first-person accounts, Stevenson s well-researched book educates readers about the dilemmas and the dangers of blind faith. Janja Lalich, author of Take Back Your Life and Bounded Choice An incredible book that is hard to put down. Absolutely fascinating! -Don Cusic, author...
