Like prison-break movie THE SHAWSHANK REDEMPTION with teenagersThe story begins with Mo, Harete and Moth on the run, chased by the tyrannical forces of the Institute. Then, it flashes back to the weeks leading up to their break out. As the three teens follow a line of pylons towards the Other country and the hope of freedom, we see how they cobble together their friendship and the tools of their escape.As the teens weave together stories from their past, present and imaginations, the truth becomes harder and harder to bear. Only the long line of wires and the lure of another way of life pulls them towards their goal. A story of hope, peril and the fight against tyranny, written by a debut author with a degree in particle physics, every word is knocked against those surrounding it to form a fascinating action-packed read.
