LAP Lambert Academic Publishing Feb 2013, 2013. Taschenbuch. Condition: Neu. Neuware - Strategic effective leadership and its role in achieving the visions and objectives of any organization is so important, specially at the time being. It can be considered as the main tool and dynamic, which all social and private institutions are used, in achieving and accelerating sustainable social and economic development. As a leader, Where do I put my energy or my attention How can I tell if my priorities are right How to develop my abilities to be a creative leader , for someone who is new to a leadership role or for someone who has been on a leadership these are key questions; we are going to look at in this book. The purpose of the book is intended to help the professional leaders, whether they are team leaders, managers, community and religious leaders, social change activist, or any other kind of leaders, to grapple with what exactly their role is and how to be effective in achieving the organizational objectives and realizing the aspirations of their societies. The book presents a model of Islamic leadership. It describes the most important practical and technical qualities of effective leaders and the ways of how to create and develop a strategic leader. 52 pp. Englisch.
