By Melina Cooper

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How to Save Money by Planning Your Own Wedding Be Your Own Wedding Planner and Save Money! Nowadays, it s almost assumed that the happy couple will have a professional wedding planner take charge of the details of the event. But not so long ago, there wasn t any such thing as a wedding planner, and the bride and her mother made it all happen. While a wedding planner can be a great help, you don t need one. In fact, there are many benefits to acting as your own wedding planner, one of the biggest being the amount of money you can potentially save. There are two main reasons why couples looking to save money should plan their wedding on their own. Planning your own wedding. There are, however, alternatives to this traditional type of reception. If you re looking to cut costs or just want to do something a little bit different from the norm, think about one of the following fun reception alternatives. They include: . When planning a wedding, one surprise expense for couples is...
