Forensic Neuropsychology Casebook (Hardback)

By -

Guilford Publications, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. Featuring compelling case presentations from experienced neuropsychologists, this volume offers a window into the complexities of conducting forensic assessments and serving as an expert witness. Covering both the civil and criminal arenas, the contributors demonstrate evidence-based procedures for evaluating premorbid functioning, competency, malingering, and other forensic issues. Each case includes step-by-step details on the clinical interview, behavioral observations, neuropsychological test results, and preparation for deposition or courtroom testimony. The concluding Ask the Experts section provides a thought-provoking QA on salient professional and ethical issues. An ideal format for translating science to practice, the casebook yields valuable insights on navigating the twists and turns of the legal system.

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
