Thomas Nelson Publishers, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Bullying doesn t end in the hallway anymore-with a smartphone or tablet, it can happen anywhere.According to the Ambassadors 4 Kids Club, one out of every four students is bullied-and 85 of these situations never receive intervention. Parents, students, and teachers alike have amped up discussions on how to solve the bullying problem for a networked generation of kids. Written by bestselling author, Nancy Rue, each book in the Mean Girl Makeover trilogy focuses on a different character s point of view: the bully, the victim, and the bystander. The books, based on Scripture, show solid biblical solutions to the bullying problem set in a story for tween girls.You Can t Sit With Us, the second book in the series, tells the story of Ginger Hollingberry, a new sixth grader at Gold Country Middle School. Ginger has been the brunt of teasing and taunting from the queen bee of GCMS, Kylie Steppe, and her so-called Wolf Pack. Kylie and the Pack favor a new and especially hurtful medium of taunting: social networking. What follows is a candid look into the growing world of cruel cyberbullying, showing kids that bullying doesn t always end at school-it can now follow you even into your home and torture 24 hours a day.
