BOBBY IN SEARCH OF A BIRTHDAY (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bobby North went out into the front yard by the iron gate between the two tall stone columns to watch the horses and wagons and mobiles traveling up and down that invitingly dusty and mysterious road that he was forbidden ever to set foot upon. He knew he could crawl under the gate, he was so little, and raise clouds of dust by dragging his feet in the road as two small boys did who passed by and stopped to gaze in wonder at Bobby and at the big brick house set back in the yard among some trees. He wondered if the Superintendent would really send him to bed without anything to eat if he disobeyed her just this once and slipped under the gate, out into the road for as many as forty or a dozen minutes.
