Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered what it would be like sitting across the desk from a kindergarten student who was in trouble, and you were the principal? How would you feel when you had worked so hard with a young boy and his issues and receive a phone call a year later telling you he was found dead in his room by a gunshot wound? *** Travel with me through my thirty-one-year career as a teacher, coach, and principal while I share some short stories that are often hilarious, sad, teachable moments, and some that will tug at your heartstrings (you can't miss the story of the little kindergarten girl I proposed to at graduation). **They Call Me Mr. O: A Common Sense Approach to Education and Life** will show how using common sense, which may seem unconventional at times, and forming true relationships with kids, parents, and teachers can result in such a positive atmosphere and will create a culture that will yield to success, even after you're gone.
